REFUGEE WEEK 2020 RESOURCE PACK

FOR USE AT HOME WITH PRIMARY SCHOOL CHILDREN

Dear Teacher/Parent/Guardian,

Refugee Week is a nationwide programme of arts, cultural and educational events that celebrate the contribution of refugees to the UK and encourages a better understanding between communities. This year the theme of Refugee Week is 'Imagine' and it is happening online from 15th – 21st June.

Kazzum Arts is a participatory arts organisation with a 30-year history of engaging young people in unique and inclusive multidisciplinary arts projects. During Refugee Week Kazzum run awareness raising, creative writing workshops and assemblies in schools across the country. This year due to the Covid-19 pandemic we are taking this important work online, providing resources and activities for remote at home learning. Our free resource packs are designed to encourage children and young people to think about the experiences of young asylum seekers and refugees, highlighting the positives, building empathy and challenging negative stereotypes.

Please note: While these activities can be completed by children and young people independently, we ask that all Teachers/Parents/Guardians read through the activities ahead of them taking part.

This resource pack contains:

- Teacher/Parent/Guardian - Info Pack (Contains key info to inform the work, you may want to read this ahead of beginning activities)
- Refugee Week key facts sheet for children and young people
- Intro to activities video
- Primary activity worksheets
- Animation: 'Help them feel at Home'

What you will need:

- Pens, pencils and colouring pencils or felt tips
- Paper
- Printer – if you wish to print out activity sheets
- Laptop or mobile with audio enabled to watch, animations and intro video

Throughout this activity pack we will be using storytelling, visual arts and creative writing activities to encourage children and young people to think reflectively and to get creative!

KEY TERMS

WHAT IS A REFUGEE?

Every day people are forced to leave their own countries and become refugees in another country. A refugee is a person who has been forced to leave their country because they fear they may be punished or mistreated because of their;

- Race
- Religion
- Nationality
- Social or political views

WHAT IS AN ASYLUM-SEEKER?

An asylum seeker is someone who has had to leave their home country as they no longer feel safe there. They will make journeys to other countries where they will ask the government in the country that they have entered to recognise them as a refugee.

By doing this they have asked for the protection of that country and the right not to be returned to their home country where they would face danger.

In the UK a person must apply to the Home Office for asylum when they first arrive in the country. While they are waiting to hear whether they can stay, they are referred to as an asylum seeker.

WHAT IS AN ECONOMIC MIGRANT?

Someone who has moved to another country to work. Refugees are not economic migrants.

KEY FACTS

WORLD STATISTICS

In 2018 the refugee crisis was considered to be a **global crisis** and we are seeing the **largest number of people** fleeing violence and conflict since World War Two.

↑ **1/2** refugees
↓ **18** years old

Over half of refugees globally are under the age of 18.

10 million stateless people have been **denied a nationality** and **access to basic rights** such as education, healthcare, employment and freedom of movement.

1 person is forcibly displaced every **two seconds** as a result of conflict or persecution

(UNHCR June 2018)

MYTH BUSTING

WHERE DO REFUGEES GO AND WHY DO THEY FLEE THEIR HOMES?

WHERE DO THEY GO?

80% of the world's refugees stay in their region of displacement rather than travelling to wealthy countries.

3.7 million

1.4 million

1.2 million

Turkey now hosts the highest number of refugees with 3.7 million followed by Pakistan with 1.4 million and Uganda with 1.2 million.

In the UK refugees make up less than 1% (0.26%) of the UK population.

WHY DO THEY LEAVE?

70.8 million people around the world have been forced from home fleeing **conflict**, **violence** or **persecution** based on their race, religion, sexuality, socio-political beliefs or gender.

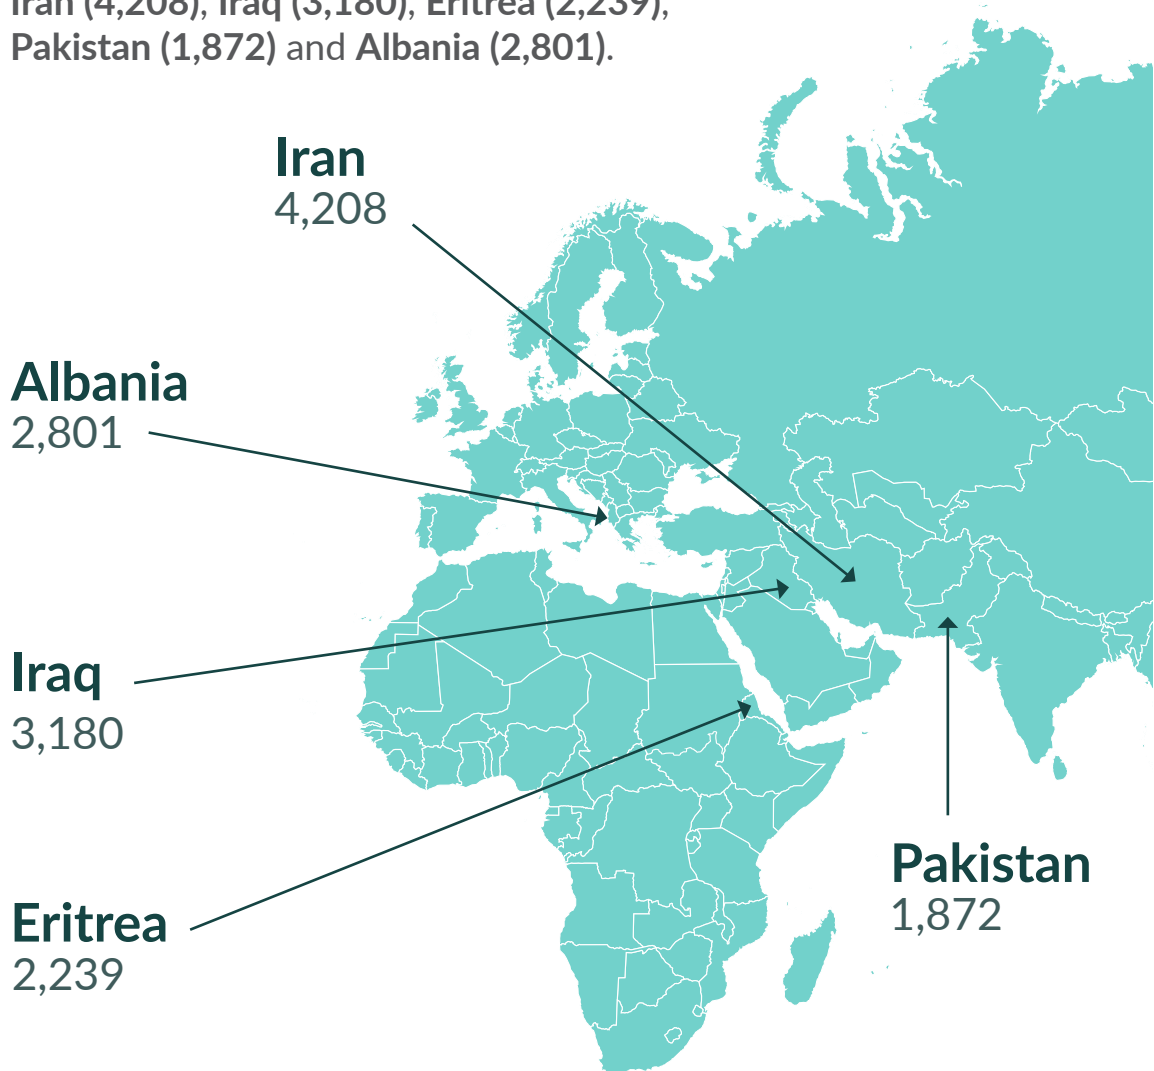

MYTH BUSTING

WHERE DO REFUGEES COME FROM?

Some of the countries people are fleeing from include **Syria, Afghanistan, South Sudan, Somalia, the Democratic Republic of Congo and Myanmar**. People are fleeing because of fear of violence, conflict or persecution.

We are now seeing the largest number of asylum applications from nationals of:

Iran (4,208), Iraq (3,180), Eritrea (2,239), Pakistan (1,872) and Albania (2,801).

MYTH BUSTING

DO REFUGEES GET A FLAT AND A JOB AS SOON AS THEY ARRIVE IN THE UK?

The government expect refugees to apply for asylum as soon as they arrive in the UK. To be eligible they must have left their country and be unable to go back because they fear persecution.

DO THEY GET A FLAT?

No.

Asylum seekers cannot choose where they live, and their housing isn't paid for by the local council. The housing they are placed in is usually a hostel or temporary accommodation and often housing that other people do not want to live in.

DO THEY GET A JOB?

No.

Asylum seekers are not allowed to work while they wait for a decision on their case. They have to live off £5.39 per day to cover all living expenses such as food, clothing, toiletries and transport and the cost of their asylum application. This forces people to live in poverty for months, or even years at a time, while they seek safety from persecution.

They can only apply to the Home Office for permission to work if they have been waiting for a decision on their asylum claim for over 12 months. The only jobs they can apply for are those on the Government's restricted Shortage Occupation List (this is an incredibly restrictive list that includes jobs such as classical ballet dancer and nuclear medicine practitioner!)

For more information follow the [Lift the ban](#) campaign - fighting for the right to work for people seeking asylum in the UK, so that they can live in dignity and contribute to the UK economy.

HELP THEM FEEL AT HOME

The animated poem you are about to watch is called '**Help Them Feel At Home**', it tells the story of a young refugee named Sana and a toy dinosaur named Dino and their difficult journey to find safety in the UK.

It has been created by Kazzum and written by Arji Manuelpillai, Aminat Odusoga and Titilope Odusoga, inspired by the experiences of young people engaging in our Pathways programme.

Click below to watch this animation before you start the exercises in this resource pack. 

Now turn over for the poem text and to get started on the activities...

HELP THEM FEEL AT HOME

by Arji Manuelpillai, Aminat Odusoga
and Titilope Odusoga

This dinosaur's name is Dino.
He may look like an everyday Dinosaur-
the sort of Dinosaur that's been here all along-
but if you look closely, a little closer,
you'll see that Dino is a very special Dinosaur.
Let me explain...

Dino is from far away,
a house of love and joy.
His country was a peaceful place
with a box of other toys.
His best friend, a little girl.
Sana, that's her name.

But one day
they watched their world change.

Explosions hit the place they live.
Panic swept the streets.
Sana grabbed his little arm,
"Dino we must leave!"

Onto a boat that bounced and bobbed,
a train that crashed and clanged,
with strangers Dino had never met,
who hid them in a van.

Sana held Dino close.
He thought he would explode.
"Where are we going?" Dino asked.
"We're searching for a home!"

Into a house he'd never seen,
a bedroom small and long,
with words he did not understand
and food that just seemed wrong.

"I don't like it here," said Dino.
He felt he was all alone:
*"New country, new house, new bedroom too.
This doesn't feel like home"*

Weeks later, when school began,
Dino met the class:
a Bunny, a Monster, a Soldier too,
a giant inflatable Shark!
Nervously he stood there.
He felt they were all alone.
He missed the toys he knew before,
the toys they had left at home.

It took a Dinosaur named Tony,
who came and spoke to them,
showed them round their brand new school,
made them feel like friends,
and before long, all the other toys joined.
They made them feel at home
knowing no-one in all the world
ever wants to feel alone.

And though they missed their country
and things weren't quite the same,
Sana and Dino grew happy together
with all the friends they'd made.

So if you meet a toy, or girl or boy
who's new and on their own,
put your arm around them
to help them feel at Home.

ACTIVITY WORKSHEETS

ACTIVITY 1

TONY'S FRIENDSHIP POEM

Many children will arrive in the UK and join a new school. It can be very difficult because they may not speak English or understand what school is like.

In our story Tony the Dinosaur was friendly to Dino and Sana. Imagine a new person is coming to your school from far away.

How could you make them feel welcome? (Actions)

For example... Offer your chair, smile, ask them how they feel, share your pencil case.

What qualities do you need to be a good friend?

For example... Helpful, caring, friendly, funny, generous.

You have 2 minutes to write as many welcoming actions as you can...

You have 2 minutes to write as many qualities as you can...

HOW DID DINO AND SANA FEEL?

Moving to a new school, learning to speak English and making new friends can be very frightening for children arriving in the UK.

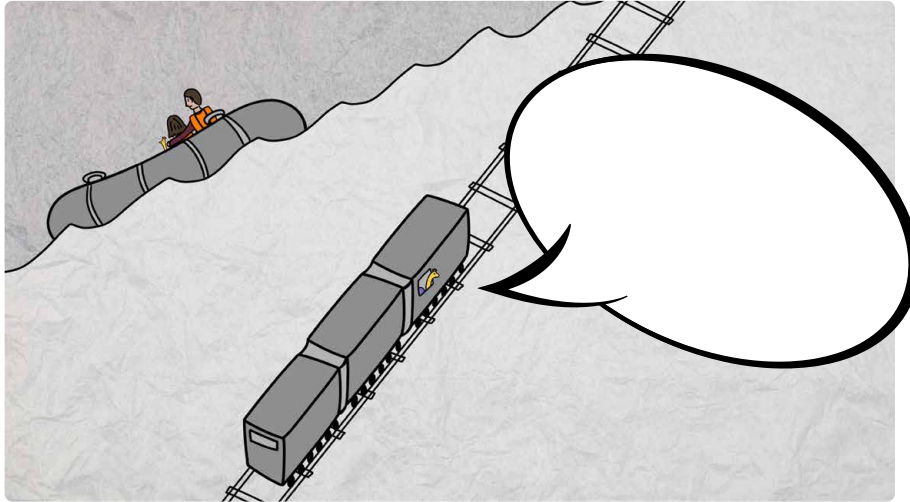

Look at this comic strip below, imagine you are Dino and Sana... What is happening? How are they feeling? What are they thinking? What do they need?

Fill in the thought and speech bubbles with your ideas below.

WRITING HOME

Sometimes people must flee their homes because they are not treated well in their country. This often means having to leave family and friends behind and make a difficult journey to find safety.

Dino the dinosaur made his journey to the UK after a war broke out and destroyed his home.

Imagine you are Dino writing a postcard to your Friends back home.

- How are you feeling?
- What was your journey like?
- What would you want to tell them about your new life in the UK?
- What do you hope for the future?

Everyone has the right to a home, food and safety. Unfortunately, this isn't always possible. We want to help Dino and Sana feel safe and happy, can you help?

1. Everyone needs essential things, that we cannot live without like water, air and food

What food would you make Sana?

2. Everyone should feel safe and have access to a home and healthcare.

What might help Sana feel safe?

3. Everyone should feel loved and cared for.

How could you show Sana that you care?

4. Everyone likes to feel important and valued by others; like they are doing well.

What skills might Sana have?

How could you help her?

5. Everybody should play and create.

In the space on the next page, draw a picture for Dino and Sana including all the things they need.

You might want to discuss your ideas with an adult.
