

# SUPPORT KAZZUM ARTS

## Who are we?

We use creativity to enable children and young people who have been impacted by trauma and adversity to feel seen, heard and valued.

*"My favourite activity was making balloons and writing a story, because I felt like I was at home and trying something new. It made me feel happy."*

## Why support us?

- **67%** [of children and young people] agreed that they believe the pandemic will have a long-term negative effect on their mental health ([YoungMinds, 2021](#)).
- An estimated **850,000** children and young people in Britain have mental health problems and related physical health problems ([UK Government, 2018](#)).
- The arts have been found to foster prosocial behaviour, a shared sense of success, physical coordination, shared attention, shared motivation and group identity ([Fancourt D, Finn S., 2019](#)).

## What can your support provide?

Creative workshop materials for young migrants and refugees

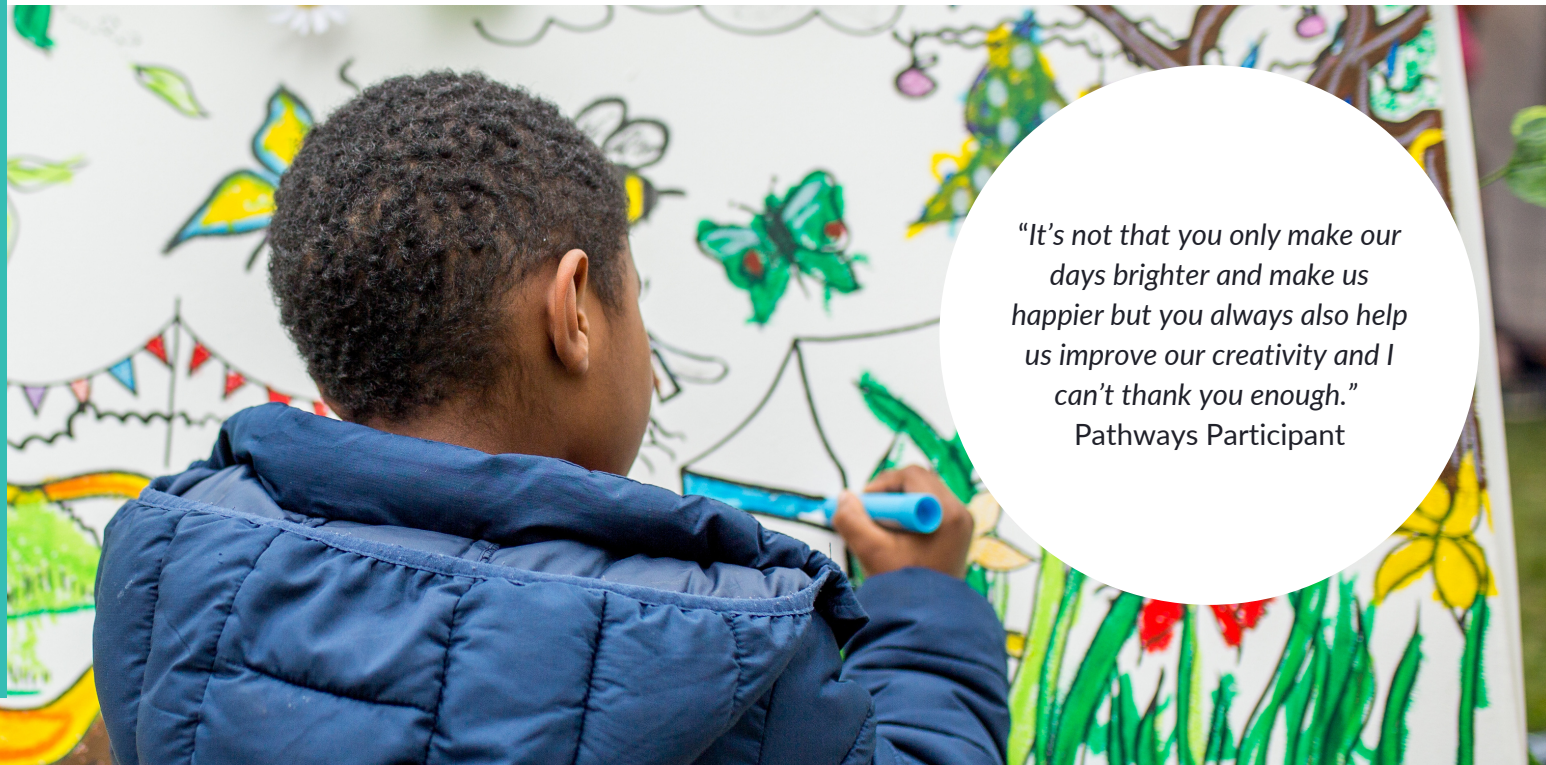

An art residency on a children's hospital ward

A speech and language intervention session for children aged 5-7

Training and development for facilitating adults

*"It's not that you only make our days brighter and make us happier but you always also help us improve our creativity and I can't thank you enough."*

## How can I or my organisation donate to Kazzum Arts?

### Individual Giving

Individual donations can be sent to Kazzum as a one-off, or as a regular commitment.

"It's been my pleasure to give what I can to support the amazing work at Kazzum Arts. What they do is vibrant and vital and it empowers young people who are too often overlooked. Knowing some of the people who run Kazzum, I can tell you their dedication, compassion and most importantly FUN is genuine. Keep it up!"  
Ian (Individual Giver)

### Company Sponsorship

23Red chose Kazzum Arts as their charity of the year and planned numerous events.

"We have a small charity committee who plan an annual calendar of fundraising events to get all our staff involved. Some highlights have included a Creative and Wellbeing Week, as well as a raffle, Auction of Promises, a Christmas Card sale and a clothes swap. It's been great to see so many people get involved in these events."

### Fundraising

We are always open to creative or unusual fundraising ideas.

In the past we have seen everything from sales of merchandise to a fashion auction!

Fundraising can also aid us in reaching a wider audience through greater publicity.
